Homebrew Competition Judge Registration Form

The Old Capitol Business Association invites you to participate as a judge in this year's festival. While we need all of the Beer Judge Certification Program (BJCP) judges that are available, we also appreciate inexperienced judges and we encourage people who have never judged to step up and give it a go. Please treat this registration as a commitment of your time and effort. If you register we will depend on you to appear and judge at our competition with a sound mind and a willing palate! Print this form in its entirety, fill out, and mail to the address below.
